Sustainability

- Starlight Exhibitions has always offered a future-proof and sustainable approach to exhibiting.
- We're committed to making sure you're a responsible exhibitor with our reusable aluminium display structures, constructed from 80% post-consumer recycled content.
- Designed to be resized and re-brandable, our displays allow for total flexibility with little or no need for repeat production which will keep on-going costs as low as possible.
- Take a look at our sustainable displays or view our [Green Policy](#) for more information.

What our customers say

- Starlight have been amazing from start to finish. Their professional support and advice in the selection and design of the stand and through to setting the stand up at the event. The planning and logistics of exhibiting is stressful and Starlight made the whole experience stress free.
- Starlight are a great company to work with. They store it and erect, dismantle stand for various events. The staff are very helpful and give great service.
- Excellent service and support from Starlight Exhibitions- as expected! We couldn't recommend them highly enough, they will always go above and beyond to meet your needs (even if that means crossing continents) and the team in the UK have always been polite, professional, and helpful whenever they can
- Excellent service provided by Starlight. Having used them a couple times, they are reliable and meet our business needs. Working well with our external designer, Starlight were able to deliver a great stand for Packaging Innovations. Will definitely recommend and we will continue to use their services for the foreseeable future!
